Shlomi Goldenberg. After a recent appearance in Rome on April 19th, 20th 2018, and hosting the Milan Svoboda Quartet from Prague on April 25th on the International Jazz Day at his "Jazz Alley" club in Old Jaffa, Goldenberg performed his Funky Eclectic Jazz music in Moscow's Composers Club in June with Pianist Igor Nadejdin quartet. Will be organizing the Jazz at the White Night in Tel Aviv. Performing overseas and in Israel with his Eclectico group, composing music, lecturing on the history of Jazz and organizing concerts at the Jazz at The Boulevard Ben Gurion festival are just part of Dr. Goldenberg's busy schedule. In 2016 received his Ph.D. from the Bar Ilan University, Israel. Goldenberg's music mixes Soul with Haunting Pentatonic melodies, in the Coltrane tradition, and uses African rhythms fused with classical forms and counterpoint in the Bach and Stravinsky traditions.
